### What You Missed In August

The theme for the August meeting was "Challenge Magic". Every group of three was given the same miscellaneous items (two balloons, four fly's, one plastic cockroach, four pompom's, one small cloth bag, one star cup, one beaker and a piece of invisible thread with wax) by Joe Duck.

The first group was Bill Baber, Lawrence "Larry" Lessner and Randy Earley. Bill did a pompom routine where atoms turned into molecules, then into matter and finally vanished.

Larry performed a cup and ball routine with a "fly" ending!

Joe and Amy Duck, along with Andrew Clarke were second. After failing to make the pom pom's float from the beaker, Joe moved on to "Gadabout Fly's", using the cockroach as his final load with Amy assisting. For the finale, Andrew picks up the beaker, causing the pompom's to "appear".

*The next group was Barry Mills, Landon Davis and Harry Gallant. Landon Davis performed a version of "Miser's Dream" using pom-pom's and a cloth bag.*

*Barry Mills, with the help of Joe Duck and Andrew Clarke, made a prediction. Andrew and Joe eliminated all but one item, which was the predicted item.*

*Barry Mills showed us his awesome new Colombini rope routine after the meeting.*
